### Assembly:

**Octagonal Blocks:** Sew Red Med. Flower 2" strip lengthwise to a Green Small Print 1 ¾" strip. Sew a Red Dot 1 ¾" strip to the green side. Make 3 strip sets. Cross cut (24) 4 ½" squares. Sew 12 units to sides of 6 brown Ellie 4 ½" center squares. This will make 6 row 2 units of the block.

Draw a diagonal line on wrong side of all Lime Ellie 3" squares. Position a Lime Ellie 3" square on one corner of a Red Med Flower 4 ½" square. Sew on line, trim seam and press to corner. Make 24 units. Repeat on opposite corner of all 24 units using the Green Small Print 3" squares. After completed, position the Red Dot 1 ¾" squares over the green corner. Again, draw a diagonal line on Red Dot Square, sew on line, trim, and press to corner. This completes the corner units for the octagonal blocks. Using quilt image for placement, sew a corner unit to sides of remaining 12 strip units. This will make rows 1 and 3 of block.

Now sew rows in order, 1, 2 and 3 to complete 6 octagonal blocks.

**Applique Blocks:** Trace all templates, for elephant, apples, eyes and leaf onto the paper side of fusible web. Cut on outside lines, and fuse to wrong side of each fabric. There will be 2 magenta, 4 pink and 4 red elephants. You may mix the apple and eye colors of your choice. After parts are fused to fabric, cut out with scissors on drawn lines, and fuse to red dot and green dot backgrounds. See quilt image for placement. Use a decorative stitch to stitch in place. If using a needle turn method, be sure to cut out all templates adding a ¼" seam allowance.

Trim blocks down to a 9 ½" square. Sew (2) brown print 2" x 9 ½" strips to sides of appliqué block. Sew (2) 2" x 12 ½" strips to top and bottom. When complete, position a Green Ellie 3" square on each corner of the

block. Sew on drawn diagonal line, trim seam, and press to corners. Make 10 blocks. Note: template B is the elephant, C is the apple, D is the apple leaf, E,F, and G are layered for the eyes.

Inner Border Green Dot Unit: Position a 3" Green Ellie square on top corners of each 3" x 12 1/2" lime green dot rectangle. Sew on drawn diagonal line, trim seam and press to corner. Make 14. Sew 3 units end to end. Make 2. Sew 4 units end to end. Make 2. Set aside.

Piecing rows: Using quilt image as a guide, sew 4 rows of octagonal and appliqué blocks together, 3 blocks to

each row. They will alternate position. Proceed to sew rows together until center of quilt is complete.

Borders: Make 2 strip sets, sewing strips together lengthwise, using 36 1/2" strips in this order; Green Ellie, Red Ellie, border print and green dot units, placing green cornerstones to the outside. Repeat using all 48 1/2" strips of the same fabrics. Sew the 48 1/2" strip sets to sides of quilt. Sew an Ellie appliqué block on each end of the (2) 36 1/2" strip sets as shown in quilt image. Sew to top and bottom of quilt.

Layer, quilt and bind as desired.
