## Cutting

*(All strips are cut across the width of the fabric from selvage edge to selvage edge EXCEPT where noted.)*

From **EACH** of the mixed leaves, brown floral, cream tonal, and green tonal, cut:

(1) 3 3/8" strip.

From **EACH** of the multi print, black floral, and brown leaves, cut:

(1) 6 3/8" strip.

From the **black fronds**, cut:

(32) 1 1/4" strips. Trim (5) strips to 40 3/4". Recut (7) strips into (28) 1 1/4" x 10" pieces. Recut (1) strip into (8) 1 1/4" x 4 1/2" pieces.

From the **yellow leaves**, cut:

(8) 1 5/8" strips.

(1) 1 1/4" strip. Recut into (4) 1 1/4" x 1 1/4" squares.

From the **lime floral**, cut:

(5) 2" strips.

From the **black tonal**, cut:

(6) 2 1/4" strips for the binding.

(1) 2" strip. Recut into (4) 2" x 2" squares.

From the **mosaic print**, cut:

(1) 6 3/8" strip.

Refold the remaining yardage to cut the following strips **lengthwise**, parallel to the selvage edge.

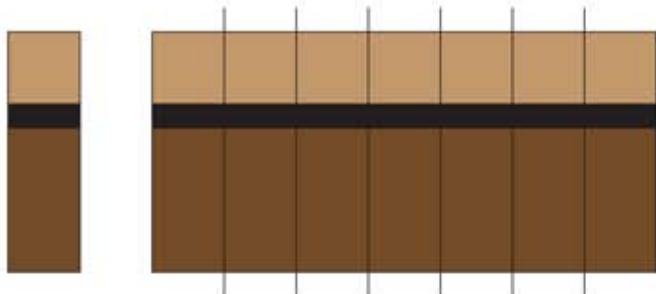

(5) strips 4 1/2" wide x length of fabric. Trim (4) strips to 45 1/4" long. Recut (1) strip into (4) 4 1/2" x 4 1/2" squares.

## Sewing

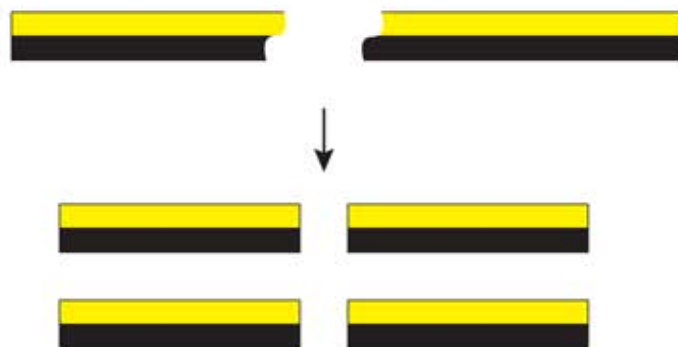

*(All seams are sewn with right sides together, raw edges even and using 1/4" seam allowance.)*

### Making the Strip Sets

1. Sewing lengthwise, stitch 3 3/8" brown floral and 6 3/8" brown leaves strips to opposite sides of a 1 1/4" black fronds strip. Press the seams toward the black strip to make a 10" high strip set. Repeat this procedure to make cream tonal and mosaic print, mixed leaves and black floral, and green tonal and multi print strip sets. Cut (8) 3" wide segments from each strip set.

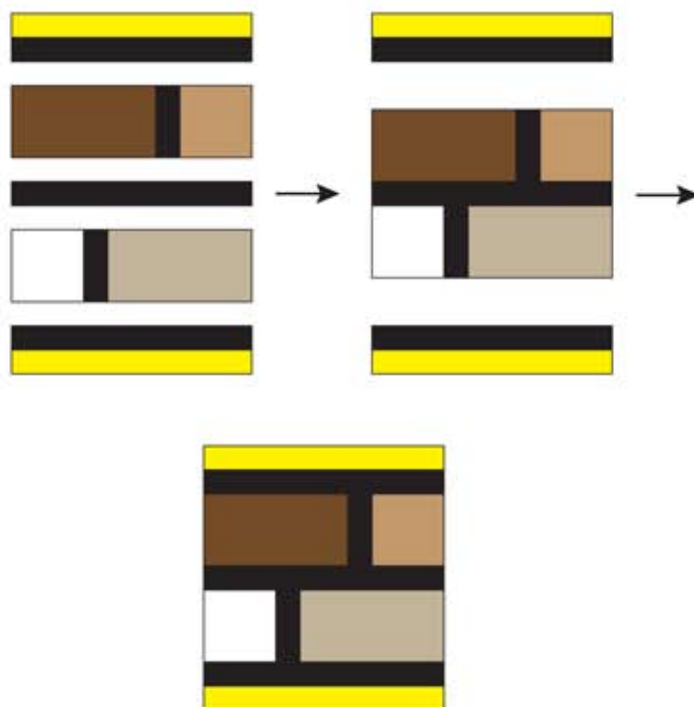

2. Sewing lengthwise, stitch a 1 5/8" yellow leaves strip to a 1 1/4" black fronds strip. Press the seam toward the black strip to yield a 2 3/8" high strip set. Repeat to make a total of (8) strip sets. Cut (4) 10" wide segments from each strip set to yield a total of (32) segments.

### Block Assembly

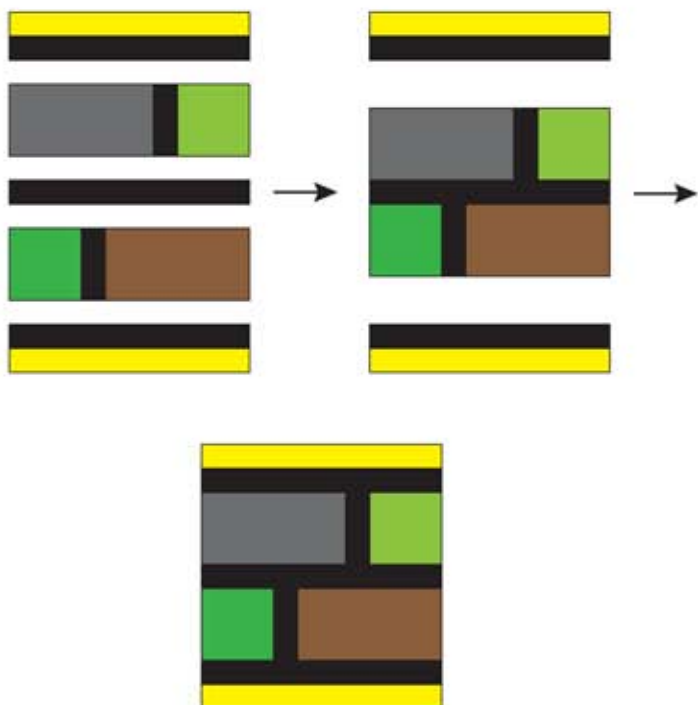

1. Stitch brown floral and brown leaves and cream tonal and mosaic print strip set segments from step 1 to the long sides of a 1 1/4" x 10" black fronds piece, noting orientation. Press the seams toward the black fronds piece. Stitch yellow leaves and black fronds strip set segments from step 2 to the top and bottom, again noting orientation. Press the seams toward the yellow leaves segments to complete (1) Block A. Repeat to make a total of (8) Block A.

### Block Assembly (cont.)

2. Stitch mixed leaves and black floral and green tonal and multi print strip set segments from step 1 to the long sides of a 1 ¼" x 10" black fronds piece, noting orientation. Press the seams toward the black fronds piece. Stitch yellow leaves and black fronds strip set segments from step 2 to the top and bottom, again noting orientation. Press the seams toward the yellow leaves segments to complete (1) Block B. Repeat to make a total of (8) Block B.

### Quilt Assembly

1. Referring to the quilt pictured on the cover, lay out (4) rows with (2) Block A, (2) Block B, and (3) 1 ¼" x 10" black fronds pieces in each row. Alternate the blocks and black fronds pieces and rotate each block as shown in the quilt pictured. Stitch the units into (4) rows.

2. Stitch the (4) block rows and (3) 1 ¼" x 40 ¾" black fronds pieces together, alternating the block rows with the black strips. Press all seams toward the black strips to complete the quilt center.

3. Stitch 1 ¼" x 40 ¾" black fronds pieces to the left and right sides of the quilt top. Press the seams toward the black strips.

4. Stitch together (7) 1 ¼" black fronds strips end to end to make a long 1 ¼" strip. From this long strip, cut (4) 45 ¼" and (2) 42 ¼" lengths. Sew the 42 ¼" lengths to the top and bottom of the quilt top. Press the seams toward the black strips.

5. Stitch together (5) 2" lime floral strips end to end to make a long 2" strip. From this long strip, cut (4) 42 ¼" strips. Sew (2) strips to the left and right sides of the quilt top. Sew 2" black floral squares to each end of the remaining lime floral strips. Sew the pieced border units to the top and bottom of the quilt.

6. Sew (2) of the 45 ¼" black fronds pieces cut in step 4 to the left and right sides of the quilt top. Press the seams toward the black strips. Sew 1 ¼" yellow leaves squares to each end of the remaining 45 ¼" black fronds strips. Sew these pieced borders to the top and bottom of the quilt top.

7. Stay stitch 1/8" in all around the outer edge of the quilt top to prevent stretching and make it easier to add the lengthwise cut border strips in the next step.

8. Sew 1 ¼" x 4 ½" black fronds pieces to each end of each 4 ½" x 45 ¼" mosaic print strip. Press all seams toward the black pieces. Stitch (2) units to the left and right sides of the quilt top. Sew a 4 ½" mosaic print square to each end of the remaining border units. Stitch a pieced border unit to the top and bottom of the quilt.

9. Layer the completed quilt top with batting and backing and quilt as desired.

10. Bind the finished quilt with the 2 ¼" black tonal strips.
