Assembly of Quilt: *Note: always pin first when adding rows, then sew for accuracy.*

- **Block rows:** Sew 1 1/2" x 8 1/4" strips to each side of panel blocks, as shown in picture, 4 blocks with 5 strips. Make 2 separate rows, set one aside for last row at bottom of quilt.
- Sew one plaid 2 1/2" strip to bottom of first block row.
- Sew dark green and dark pink 2 1/2" strips together, press to dark, sub-cut into 2 1/2" x 4 1/2" strips, rotate and sew 18 strips together, alternating colors, making a checkerboard row. Sew to bottom of plaid strip.
- Sew next plaid 2 1/2" strip to bottom of checkerboard row.
- **Make Pinwheel blocks:** Using triangles cut from the light green and light yellow letter prints, (from the 2 7/8" squares), sew triangle together on long sides to make half square triangle block. Sew 4 half square triangle blocks together to form one 4 1/2" pinwheel block. Complete 5 pinwheel blocks.
- **Make hourglass blocks:** Sew pink radishes triangles and pink toile triangles together on short sides, making one large triangle, sew 2 large units together to make hourglass blocks. See picture for placement. Complete 4 hourglass blocks.
- Sew alternating pinwheel and hourglass blocks to make a row, and add this row to bottom of plaid row.
- Sew triangle strip to bottom of pinwheel/hourglass row.
- **Basket blocks:** Sew 2 large light yellow and light green triangles together to make center of each basket. You will make 4 baskets total. Using triangles cut from pink letter fabric and pink radishes (cut from the 2 3/8" squares) sew together to make 24 half square triangle blocks. Following picture placement, sew 3 HST blocks together for side row and sew to left side of center square above. Be sure base of triangle lays next to the center block. Sew 3 more HST blocks together, and add one dark green 2" square to left side of strip. Sew these units to top of center square. Now sew basket base triangles to the 2" x 5" pink radishes strips, making sure direction follows picture. Sew to each side of center of basket block, following picture for placement. These are the background sides. Now sew one each of the pink radishes triangles (cut from the 3 3/8" squares) to finish the last corner of the basket block. Make 4.
- **Sewing basket row together:** Sew 1 dark pink strip 1 1/4" x 8 1/4" to left of first basket block, then a 1 3/4" x 8 1/4" strip, basket block #2, another 1 3/4" strip of dark pink, basket block turned to right, another 1 3/4" dark pink strip, 4th basket block also turned to right, and lastly a 1 1/4" dark pink strip. When this row is completed, pin and sew to bottom of the triangle print row.
- Sew 2" x 36 1/2" plaid strip to bottom of basket row.
- **Picket fence row:** Sew one each dark green and pink radishes 1 1/2" strips together side by side, press to dark-make 2 of these strip sets. Subcut into 18-3" cuts, and 18-1 3/4" cuts. Sew 2-3" units side by side so colors alternate as shown in picture. Make 9 of these units. Sew 2-1 3/4" units side by side to make the top portion of the fence. Make 9 of these units. Sew a dark pink 1 3/4" x 4 1/2" between these strip set units to form a picket fence block. Make 9 blocks. Sew all block units side by side to make fence row. Sew this row to bottom of the last plaid strip.
- Sew last 2" plaid strip to bottom of picket fence row.
- Sew set aside panel block row to bottom of plaid strip.
- **Border #1:** Sew 2" yellow letter print together to make length to cut 2-2" x 46 3/4" strips. Sew to side of quilt. Cut 2-2" x 39 1/2", sew to top and bottom of quilt.
- **Border #2:** Dark green: piece and cut 2 strips 1 1/4" x 49 3/4", sew to sides of quilt. Cut 2-1 1/4" x 41", sew to top and bottom of quilt.
