Cutting:

1. From 20509S, cut one 2 1/2" strip. Subcut into four 2 1/2" squares for the centers.
2. From 20507M, 20504AT, 20506T, 20510B and 20510A, cut two strips of each fabric 1 1/2" x WOF. Open strips and cut four of each of the following from assorted fabrics:
2 1/2" (A), 3 1/2" (B), 4 1/2" (E), 5 1/2" (F), 6 1/2" (I), 7 1/2" (J), 8 1/2" (M), 9 1/2" (N), 10 1/2" (Q), 11 1/2" (R)
These will be used for the dark half of the block.
3. From 20509 B and 20509 K, cut two strips of each 1 1/2" x WOF. Open strips and cut four of each of the following from assorted fabrics:
3 1/2" (C), 4 1/2" (D), 5 1/2" (G), 6 1/2" (H), 7 1/2" (K), 8 1/2" (L), 9 1/2" (O), 10 1/2" (P), 11 1/2" (S), 12 1/2" (T).
These will be used for the light half of the block.

4. Using 20511 AE, cut the four different pattern sections apart. Cut two strips 1 1/2" x length of fabric from each section. The brown and aqua "railroad" type print is used as a dark. Subcut these strips as in Step 2 cutting one of each size. The remaining three prints are considered lights. Subcut these as in Step 3 cutting one of each size from each fabric.
5. From 20503 A, cut strips 1 1/2" x length of fabric from each stripe. The nine brown with white flowers stripes are treated as a dark. Using two of these lengths, subcut these strips as in Step 2 cutting one of each size. The floral portion is considered a light and is subcut as Step 3 using two strips and cutting one of each size.
6. From 20510-B, cut two squares 17 7/8". Cut these once diagonally to yield 4 half-square triangles.

Construction:

1/4" seam allowance given

Press all seams away from the center block.

1. Sew first dark (A) to center square.
2. Working counter clockwise, join second dark (B) to the unit.
3. Next, add first light (C), then next light (D).
4. Continue in this manner – two darks, then two lights until five rounds are completed around the center square. Refer to diagram for sequence.
5. Construct four blocks in this manner.
6. Layout blocks, with dark sides to the center. Join.
7. Sew large triangles - 20510-B - to sides of unit.
8. Layer top, batting, and backing.
9. Quilt and bind.

NOTE: There are extra "logs" cut to allow variety in each block
